Anyone for a ride with Maria

You don't know me. My name's Bill. I happened to be passing this office in Soho when somebody sidled up to me and said, "Wanna look at some dirty pictures?"

"Well, all right," I replied, which is the polite way of saying, "Fwaaa!!" Then I was taken upstairs by this weedy bloke with one of those hairstyles that look like he tried to change the lightbulb whilst standing in the bath, and given a ton of photographs of beautiful bobbling breasts, cuddlesome bums and munchable minges to peruse.

"These are the girls in our next issue," said the thistle-headed man. "What do you think?"

I stared at Maria Whittaker's massive mammaries poking out of her riding gear, Teri's chewy cheeks spread across the centre pages, porn stars Barbii and Candie, and Marion baring her bits on the beach. When I was able to speak, I replied, "I must say I'm very favourably impressed." (Which is just another polite way of saying, "Fwaaa!!") Then there was Ursula (you can see her on page seven). "She's Miss Poland," explained the Ed. Who says everything over there's in short supply? It was almost too much for me.

"There's some funny stuff and a few features as well," added the Ed. "But I don't suppose you want to -"

"Not really," I admitted, slavering over Ginny's red lips. I could just imagine them clamped around my -

"So you think it'll be a good issue then?" he asked.

"Fuck me, I should say so," I replied. (Which is the impolite way of saying, "Yes, indeed.")

"Good. Now piss off."

Which is how I came to be walking down the street drooling uncontrollably with my trousers undone and displaying a huge hard-on. Sorry, it won't happen again, Officer. ♣

COME AGAIN

the girl you've asked to see

It was no contest when it came down to choosing the girl you wanted to see again this month - Sarah, our centrefold from Vol 19 No 1, won hands down. "And she made me take my pants down," admitted Will of Brighton, "and wank my cock till it hurt!" We know the feeling, Will - and so for you, not to mention Mark of Teddington and Stuart of Arbroath, here's Sarah and her sunny smile again. Just don't do yourselves an injury. ♣

Wad A Performance!

Carrie and I have been friends for 19 years: we are both 38 now. I am divorced and she has just remarried, for the third time. Her new husband is a real looker, 34 years old with a fabulous body. Kevin and Carrie came to Bradford to visit me last week and stayed the night.

Carrie is rather a loose woman, so to speak, so I was not surprised after an evening of drinking, watching a video and hanging all over her hunk of a husband, to hear them rutting away in the spare bedroom right across from my room. Carrie has always gone for the well hung guys and I was more curious to see Kevin's tool the longer I listened to them going at it in the spare bedroom.

I finally decided I had to take a peek at the action when I heard Carrie begging, "Give it to me, damn you! I want every drop of your come, and I need it, Kevin. Stop fucking me and give me that heavy wad."

"Take it easy," Kevin admonished.

"I've come three times," Carrie yelled. "You're driving me insane with that gigantic swipe. I *need* your come. Shoot it for me."

I eased across the hall to see my redheaded, skinny friend on her hands and knees taking it in and out of her wide spread hole like a champion. Kevin's hard cock was *gigantic*, at least ten or eleven inches as I watched from the shadows in the hall way.

Finally Kevin withdrew his slippery hose and aimed his head at Carrie's backside just as a rope of come jetted from his oozing hole. The sperm splattered against Carrie's skinny thighs and another glob jumped powerfully through the air and smacked audibly against her right buttock.

That was just the start of the most prolific ejaculation I have ever witnessed. I counted 24 globs of jism shoot from Kevin's hole on to Carrie's skinny frame, making her backside look like she had been rolled in a vat of whipped cream. After Kevin emptied his massive load he smeared his heavy cream all over Carrie's body, front and back, even in her long red hair. When he was finished Carrie looked like she was wearing a sperm blanket.

Carrie seemed ecstatic with her situation, dripping with enough sperm to have been shot by six different schlongs.

The next morning when they left I examined the bedspread and determined I would be lucky to save it even with dry cleaning. - *Maureen, Bradford*

Dear Kerry,

I know you must have had loads of letters after you appeared in Vol 18 No 13, saying what a stunner you are and what a fantastic turn-on your curvy, sensual body is. And it's all true!

My cock swelled up the second I saw you, and what really had my sap rising was the sight of your gorgeous, pouting mouth and your moist lips. You love getting those succulent lips around a hot, hard cock, don't you? When I'm wanking and about to come, I think of you kneeling in front of me, holding the base of my erect cock, looking up at me with those dirty bedroom eyes, playing your luscious lips over my quivering dick. As you feel the first jerks in my prick, you hold it against your pouting mouth, taking my come on your lips, swallowing it eagerly.

I hope you like cocksucking as much as I think you do, Kerry. I'd love to imagine you're turned on by reading this. - *Gary, Skelmersdale*

You guessed right, Gary. I love to feel a bit of hard meat

IN ARREARS

After the sad demise of the legendary Billy Buttock in last month's issue, we had to search hard for his replacement. Eventually, quite by chance, we came across the North American branch of our late, lamented bottom correspondent's family - so may we introduce our new arse man, Mr Ricky Rear.

I had a great dream the other night. It was about this new TV game show called *Celebrity Rings*, where famous female stars bared their bottoms and members of the public had to "name that bum". Magic!

All my fave rave rears took over my Toshiba until my 14 inch screen was bursting with buttocks. Wide, wobbly ones. Bitable, bony ones. Taut tight tongue-trappers - all lined up for the contestant to identify. Then to win the major prize - a caravan, it's always a fucking caravan - the lucky winner was blindfolded and had to recognise a well known rear purely by touch.

Who was it, you ask. Felicity Kendal? Anneka Rice? The appalling woman in the Shake 'n' Vac ad? I haven't a bloody clue. It was interrupted to bring us live snooker coverage. Bastards!

Fortunately the Ed gave me this plump rump to ogle over. And what a sensual sit-upon it is. A posterior for posterity. A rear view to grace any mirror. Let's give it a big hand, ladies and gentlemen, right on those plump cheeks. - *Ricky Rear*♣

between my lips - best of all I like to play with a guy's foreskin, teasing it up and down, touching the shiny knob-end with my tongue. Know why I like it so much? Because I know I'll be rewarded with a tasty wad to swallow, that's why! - Kerry

Black Magic

Liz and I were really thrilled to see our letter printed in Vol 18 No 12, describing our sexy adventures in Rhodes with those two German hunks. We wondered if readers might like to know what we've been up to since our holiday back in July!

For a month or so we were depressed, back at work and getting no sex at all, wishing we could find two big studs like Hans and Rolf in Brum but realising it was probably just a fantasy. Then in August Liz was invited to a 21st party at a club by a friend of hers at work, so we decided we'd have to dress to kill - after all, you never know who you might meet!

It was a very hot, sticky night and to show off our suntans we wore the shortest, tightest miniskirts we owned, with thin

Ursula

Here at Club we can think of no better reason for encouraging the improvement of East-West relations than the fact that there are thousands of lovely girls like Ursula just dying to leap out from behind the Iron Curtain. Ursula (we'd tell you her surname if we could say it, let alone spell it) comes from Krakow, has been modelling in her own country for the past two years, and was last year's Miss Poland. This year it's her aim to have her face - and the other very scrummy bits of her to boot - known all

over the world.

"I've done a few sets before where I take my clothes off," Ursula proudly told us, "but none has been seen outside Poland. I really enjoy it though, because I know that men get excited when they see me. I've just turned 21, and doing this set was the first time I'd been out of Poland. It was done on a beach in Portugal, and I loved it. Lots of men stopped to peep at my legs and pussy while I was being photographed - that made me very excited. I can't wait to do more."

And we can't wait to see more either. There's loads more where Ursula came from! ♣

cotton tops and high heels. Our only undies were lace G-strings, so if we got lucky someone was going to have a big surprise.

We arrived at the club about 11 to find it packed, mainly with big, hunky, sexy West Indian guys. Liz and I often talked about trying a black lover as they have tremendous reputations among all our friends, so when two hunky guys asked us to dance we happily accepted.

I danced with Luke who was really very handsome and a great dancer, while Liz paired off with his mate Carl. They were both 26 and we really fancied them, so about 1am Liz asked them back to our flat for coffee. However, back at the flat coffee was soon forgotten as we got to grips with our boys.

Liz and Carl kissed ferociously on the settee while Luke calmly stood before me undressing. I was admiring his muscular body when the noise of a zip made me look across at Liz, who had already taken Carl's thick and long cock out of his pants and was licking it like a black ice lolly. I looked back, just as Luke stepped from his pants and stood naked before me, sporting a massive hard-on. I grasped it, feeling its heat and throbbing hugeness, as he swiftly undressed me and we fell on to the carpet into a furious 69. As I sucked Luke's big bell-end and enjoyed his darting tongue on my clitty I looked up to see Carl fiercely tonguing Liz's pussy and pinching her big nipples.

Moments later I was astride Luke, driving down on his mammoth cock, screaming as it penetrated deeply into my hungry wet beaver. I rode him hard, with my back to him, moaning as his tool filled me totally and enjoying a grandstand view of Carl and Liz on the settee. He was on top, her legs over his shoulders, and I could see his thick prick sliding in and out of her blonde-fringed cunt, his big hairy balls slapping up against her buttocks. Liz came first loudly and when Luke began to rub my clitty as I bounced up and down on him I soon came as well.

Now our studs were rampant and all we could do was enjoy them! First Luke put Liz on all fours and shafted her furiously while she sucked Carl. It was an incredible sight as Luke gave her his full length and she came in no time. Then it was my turn to enjoy a two in one and I sucked Luke while Carl rogered me incredibly from behind with his very thick tool. He stretched and filled my pussy like no-one ever had before, and like Liz I soon enjoyed a tremendous climax.

Remember us? We met on holiday last summer...

GUTT OF THE STUNT

*We are proud to introduce our major new sports columnist Mr **Frankie Gutt.** Tell 'em all about yourself, Frankie!*

Alright? Frank here, Frank Gutt, ace sports reporter with the West Country's own wizzing, fizzing, super-scintillating tabloid, *The Exmoor Stunt* (circulation 998, rising to 1,000 on occasion - the occasion in question being when the sub-post office in Doriscombe Lowdleigh ran out of bog paper).

Now you're probably asking yourself what a good old Cockney boy like yours truly, born within sniffing distance of Billy Bond's jock-strap, is doing closeted away in the national equivalent of an outdoor khazi, where the biggest story of the last ten years was when the local chiropodist got himself involved in a bizarre one-in-a-bed love romp with his own hankie. And that is a good question. Unfortunately it's not one to which I can give much of an answer until after my case comes up. Still, as it's you, I'll sketch in the details.

It was last summer. I was working for the sensational, soaraway "Martians turned my mite into marmite says Middlesex mum" *Sunday Stonker*, covering Wimbledon. After the women's semi-final I went to the press conference. I couldn't help noticing that the curvaceous Commie winner, that raunchy piece of red rumpo, Schagya Socksoff, was giving me the kind of saucy eye-balling that told me she was as keen on a spot of jolly rogering as Captain Pugwash and the crew of the Black Pig.

With a bit of crafty Cockney cunning, and the slipping of an expense account monkey to the old walrus who was guarding the entrance, I smuggled myself into the showers of the ladies' locker room and was waiting, togs off, when Socksoff arrived, hot, sweaty and dying for a good soaping.

Now I know what you're going to say - everybody knows she's a Lesbian. Well, so did I, but I've never been one to let a bird's nationality come between me and my pork truncheon getting ourselves stuck into a hot roll, if you get my drift.

So there I was, starkers in the shower, and in steps Schagya. What happened next is, as they say down Lincoln's Inn, sub-judice. Suffice to say I've a sharp suspicion (and a stabbing pain in my groin) that Schagya Socksoff is not only a Lesbian, but a dyke as well!

When I got back to the *Stonker*'s offices after the paper posted bail (the bastards should have sent it by courier - I was in the nick for three fucking days) I was dragged in to see the Editor.

Now Kevin Shitehawke's an old mate of mine. We grew up on the streets of Dethknell Green together. We went to the same school, ran with the same gang and knocked the same helmet off the same copper. So I figured I knew the score when it came to Shite's reaction to my little misdemeanour.

"Well now, Goat," he says. That's my nickname, 'goat'. It's not because I smell or nothing. It's because of an incident that happened when I was working for the *Basildon Belcher* and got sent to cover an agricultural show. I'd like to tell you more, but I'm involved in a paternity suit relating to the matter. Don't get me wrong, I believe a bloke's got to face up to it like a man, but I'm buggered if I'm paying maintenance for ten kids. The farmer whose nanny it was can do that.

"Well now, Goat," Kev says, "I hear the poke-able product of perestroika has got a

TOP TITS

In the last few weeks I've had several letters from the more astute of Club readers pointing out that my name is similar to that of an ex-Manchester United footballer. Has this affected me in any way? Of course not. My near namesake is an expert on ball control, commitment up in midfield and penetrating the box by use of the sweeper. I'm the same, but with a slight addition. I just like tits.

And this month's twin strikers certainly put most things that happen on the football field in the shade - not to mention most of the lower half of her body. These joint cup holders, like Fulham, manage with very little support, and my own goal is to get my hands on them and save them for myself.

I leave it to the pools punters to get her draws down. All I want is to be caught handling in the box and be sent off with her for an early bath. So sod football. When it comes to team strip, give me a pair of massive mammaries or pert protuberences. Just look at these for a kick-off.

powerful forehand."

"Kinell, not 'alf," I says. "Powerful? She almost wrenched me bollocks off, Shites."

Kev lets out a laugh like a gorilla's fart. "You're fired Gutt," he says, "and if I never see yer again as long as I live it'll be too fucking soon."

Like I said, I knew the score. Kev and I grew up together. He always was a complete bastard.

So that's how I ended up out here, rebuilding my crushed career on the back pages of North Devon's number one news, views and who's had who's daily paper, *The Exmoor Stunt* ("bringing you the news: as it happens, when it happens and if it happens"). And I have to tell you there's no shortage of talent, sporting and otherwise, on your old mate Frankie's patch.

Just down the road, for instance, is the stadium of Skoda Gearbox League Division Three giants, Piddleham Hotspurts. There's interesting times ahead at Knob Road now that meat-pie magnate Michael Grearwads has been booted out from the chairmanship by hippie tie-dye tycoon Martin Righton. Straight after Righton took the wheel, the Spurt's swarthy supremo Terry Vegetable was lashing out a club record fee of 35 books of greenshield stamps and a quantity of soiled ladies underwear on striker superstar, Diego Doner.

The "Spunkfronts" loyal fans can hardly stand the tension as they wait for the sizeable Cypriot centre-forward to trundle out onto the turf of the recently renamed Kharma Moonchild Stadium.

That's just one of the events I'll be covering in the ostuntaciously stuntillating Devon daily. I'll also be talking to local heavyweight hero Big Fred "The Devon Dumpling" Dumbo as he prepares for his title shot against Cornish Champion Mike "Lightsout" Lumphammer. I'll be out on the piste with local skiers supreme, the Fell brothers, Topple and Tumbling.

And, naturally enough, I'll be paying special attention to Nibbleigh's nubile nymphette at the net, local tennis star Arrabella Quimm. I've always had a thing about fruity birds and from what I hear Arrabella's a regular little Dundee Cake knickers. Now I know what you're thinking: after Wimbledon young Frankie should've learnt his lesson. Well, you're probably right. It's just that when it come to Ladies' Singles, I always like to keep my hand in, if you get my drift.

See you soon. Until then, stay lucky - and if you can't be good, be careful. *- Frankie Gutt*♣

No highly personal organiser would be complete without a look at places to eat out, and Filosex is no exception. Here is a dish most men can't wait to get their lips around. Hot, sweet and very tasty, she can satisfy any appetite.

"I've always enjoyed a romantic candelit dinner for two - especially if I'm on the menu," she told us. The house specialities? Cherry nipples, a bite-size bottom and juicy pussy pie for afters.

But the cosy informal atmosphere of the four-course meal doesn't end there. This must be the only joint in town where the staff eat the customers.

We asked our resident restaurant reviewer Nathaniel Fatbastard to take a look at the facilities at this particular eaterie, but so far he hasn't returned. Last time he phoned in he mentioned something about being up to his ears in it.♣

SHELL SHOCK

Spring is on the way again, and if you need proof that the sap is rising just take a butcher's at this horny pair! This picture was sent to us by Miss Doris Spanner of Borehamwood. She tells us that Marmaduke (top) and Sharon (bottom) enjoyed a brief courtship of 25 years, and finally got it together in mid-February.

It is a little-known fact that tortoises can make love for up to six hours, and it looks like Marmy here is well into his fifth. When they're at it they sound a lot like clackers, those irritating toys of yesteryear made of two wooden balls on a piece of string. However, they don't break your wrist as easily as clackers used to.

We'd tell you lots more little-known facts about tortoise sex, but we're too tired to make them up. All we want to say is - go for it, Marmy! - *Sidney Shellback*♣

TAPED!

Yes, the plots may be a little on the thin side, but ***Allan Bryce****, our resident video nasty, is thick enough to get to the heart of the porn popping matter every month...*

Video is a marvellous thing. Years ago, if you wanted to see some old scrubber getting her knickers off for a bargain price you had to travel to Soho and poke your bugle into what was ostensibly known as a Peep Show, where 50 pence in the slot would buy you a 25 second glimpse of a sour-faced slapper shoehorned into the sort of underwear you wouldn't want to be found wearing after an accident. It was enough to send you out to buy a Village People record.

Of course, nowadays we can enjoy sizzling striptease action in our own home, thanks to the wonders of the VCR, and companies like Rosalind Woods, who have just sent me a trio of their tapes to review. To get in the right frame of mind I slipped into my dirty raincoat, poured myself a glass of warm beer and settled back on a hard wooden chair before watching the erotic antics of Claire The Gym Mistress as she bounded round her bedroom in and out of an impressive assortment of fitness gear.

Rosalind Woods is a company that sells the sort of lingerie you just know your girlfriend wouldn't look good in, and their videos are halfway between being moving catalogues and straightforward bump and grind routines by girls who have as much chance of becoming professional strippers as Salman Rushdie has of getting his own chat show. Not that they're all ugly as monkeys, mind you. Claire is a very sexy looking young lady with bristols that just won't quit, but some of the 'mature women' that grace these tapes were well past their sell-by date.

Still, different strokes for different folks, as they say, and so to help you plan your evening of video burlesque take a look at **The Rosalind Woods Strip Line**, which is a pick and mix of girls of varying shapes, sizes, and ages. The ubiquitous Claire turns up twice, modelling her gym mistress outfits and a beguiling assortment of stockings, knickers and suspenders. Then we get two bulging housewives trying on some directoire knickers and looking distinctly embarrassed about it too; angelic-looking Jill, who has the sexiest bum I've seen in ages, performs 'The Best Damn Pantie Show In Town'; and buxom Sally Anne just lounges about on a bed trying half-heartedly to stuff her oversize cantaloupes into an unforgiving brassiere. In other words, the plot will not strain your brain

PLUG!

Five people who could well be Squeeze

Hi there, groovy fuckers, it's time once again to give a gratuitous Plug! to a product of our choosing. This time it's an album the Editor wanted for his collection. Called *Frank* (the album, that is, not the Editor, ha ha), it's the latest by Squeeze. I can't tell you what it's like because the greedy bastard has already locked it in his briefcase, but I do remember that it had a nice tortoise on the cover.

I also know that Squeeze are an eminently acceptable band even if Jools Holland, he of the one pin-striped suit and black shirt, was once a member. Jools, you may recall, was renowned in his *Tube* presenting days for never finishing his sentences. Something we here at Club would never -

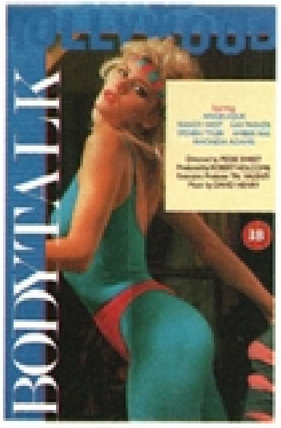
cells, and some of these gals are actually pretty horny, surprisingly enough.

Moving smartly along, **Body Talk** is about a horny chick called Cassie, who gets more helmet than the entire cast of ***The Bill.*** Picture the scene: she's making it with this guy in the back of a car and things are getting pretty hot and heavy. "Put your finger inside me," she orders, moaning in pleasure. "Now put your hand inside me... Now put both hands inside me... Now clap!"

"I can't!" the guy protests.

"Tight, huh?" she smiles.

The plot of this movie takes off when Cassie meets up with a burly bloke named Mark. He's a bit of a voyeur and likes to watch himself bonking in the mirror (I prefer *The Sun* myself). Cassie falls head over heels as usual (this gal doesn't know any other position), but will she be able to cope with Mark's weird sexual kinks? A host of well known sex stars like Randy West, Rhonda Adams and Amber Rae pad out the cast of this well made American sexy - it's 18 rated though, which means you don't get to see much in the way of bona fide bonking.



Next up comes a good argument for myxomatosis: a pair of bland bunny tapes from the Playboy organisation. **Playboy Video Playmate Calendar 199O** and **Wet And Wild** are both cut from the same glossy MTV cloth, and somehow manage to make full frontal female nudity seem as erotic as a slap round the chops with a wet kipper. The *Playmate Calendar* is just what it says it is: twelve gorgeous centrefolds cavort in soft focus, telling us about their love for skateboarding/windsurfing/disco dancing/horse riding, and why they are too nice to wank over.

It's only when you get to the

Barbii was looking a real doll last time we saw her (*Groan - Ed*), way back in Vol 17 No 7. It was then that we told you about Barbii's activities as a porn starlet - and none of you could believe it.

"And I just couldn't believe all the amount of mail that I had from all you British guys," was raunchy redhead Barbii's message to you on her return to Club. And I enjoyed every fuck-packed minute.

end of the tape with a half-formed stonker that you realise you have been watching *The Stepford Wives* in action - perfect robot duplicates created by Hugh Hefner. When they're not posing for the cameras they're turned off and put in a cupboard at the Playboy Mansion.

The girls in *Wet And Wild* show a bit more animation, but then so would I if someone kept throwing buckets of water over me. From Jamaica to Tahiti, from Mexico's Gulf Coast to Australia's Great Barrier Reef, a prime selection of perfectly formed ladies grin and bare it in hot tubs, showers, pools, lakes and oceans - I wish I'd bought some water shares now! This is more fun than the previous Playboy entry, and it would have been even more entertaining if somebody had drowned that obsequious American narrator.

Lastly, if you're a fan of vids in which beautiful women get soaked and/or splattered with mucky substances, then you will undoubtedly want to cop a very large eyeful of **W.S.M. 2: The Great Outdoors**, which is a series of sketches and running gags all involving pretty girls getting their just desserts. These desserts include everything from blackcurrant jam to rice pudding, and are dished out by mad monks, naughty nurses, and saucy secretaries. Slapstick fans will particularly enjoy the picnic scenes featuring lusty Lorraine and mucky Mary, who pelt each other mercilessly with a vast range of foodstuffs, all of which are readily obtainable at your local supermarket.

It's easy to tell that the girls are having fun from their dirty laughter and messy behaviour, and of course it's not long before they've got their togs off and are mooning at the camera. There's lots of other sexy stuff here which will really get slapstick buffs sparking, and interrupting the action from time to time are some humorous quickies and comic commercials which help make the video a unique combination of erotica and comedy. It's not available in the shops, but you can purchase a copy of this and *W.S.M. 1* for £35 each from the address at the end of the column. Here's mud in your eye!♣

NUTTER'S CORNER GOES BBRRRRRRRRRRRMMMMMMM!

You can see for yourself that this lot are utter, brain-dead total nutters, so we'll just give you the facts:

This mad bunch are competing in the 21st annual Mint 400, a desert race through the hot, dry and dangerous Mojave desert in California and Nevada, USA. No less than a staggering 351 cars, from Britain, Europe, Canada and Australia as well as across the States, started the 93-mile course. They range from near-standard production saloons and full-size trucks to highly-modified VW Beetles and specially-built desert racers. There's a class for just about everything.

The race is dangerous. John Marno has both legs shattered when another car hits him while he's changing a tyre. Lloyd Huffman in car 104 rolls his vehicle in the middle of the track, and sets about heaving it off the course: while he's doing this, another car comes screaming round the bend at 90 miles an hour and gets thrown into the air by a hump at the side of the track. One of the spinning wheels hits Huffman in the head. He wakes up three days later.

By midday, the wind is up to 60 mph and a raging sandstorm sweeps across the Mojave desert. The 60,000 spectators have trouble standing upright, let alone seeing what's going on. But the drivers continue on their merry way, notching up four or five more serious injuries before the race is over. Thankfully, this time no-one was killed.

Eight hours after the start, Mark McMillin from Chula Vista, California takes overall first place in his Chenowth fitted with a Porsche engine.

We're all for a little machismo here at Club. We like to think we're as manly as the next guy. But surely this is final and conclusive proof that Americans are dickheads? We're sending this feature along to Dr Anthony Clare, and we'll let you know what he says.♣

Marion, at 24, is no stranger to nude modelling. She's been a keen naturist for five years!

"I first went to a naturist beach while I was on holiday about five years ago," Marion told us while she was putting sun oil in some *very* strange places. "It just felt so wonderfully free to be able to let my boobs loose and bare my pussy to the sun. So the next year I went on a specialist naturist holiday, where I didn't wear any clothes for the entire fortnight. Heaven!

"And now I've got a little confession here. You're not meant to look at your fellow naturists in a sexual way when you're at the colony, but I just can't help myself. I mean, when you can see at a glance what all the blokes are offering, how can you not take it? I know I always do!" ♣

MATT DILLON

'What a lucky bastard!'

What's tall, dark and handsome, and Dominant Dowse would love to shag it? The answer's mean 'n' moody Matt Dillon, and ***Colin Dale*** *goes green with envy.*

"Oh yeah, you definitely get a better class of nutter in New York," drawls the man with New York city written all over his vocal chords. The voice fits the face that belongs to Matt Dillon.

It suits him, as does everything else - his clothes (black Levi's, shirt and bomber jacket); his hair (regulation severe flat top); his mannerisms (coarse and slouchy). There's something horribly cool about the man who would still manage to look good in a bin bag and clogs.

If you're a bloke, it would be very easy to hate Matt Dillon. He's well built, good looking and, of course, a film star. Only he doesn't act like one. There's a genuine casualness about him.

"Wanna beer?" he offers, continuing his mumblings into metropolitan madness. I'm baffled, but then Americans have always been a bit funny. "I did some research into the human condition for a film called *Kansas* and discovered that in urban areas you get more psychological mental illnesses - like schizophrenia, paranoia, all that - and in rural areas you get cross grain diseases."

He's lost me already, but, not wishing to appear ignorant, I nod knowingly. Matt knows his stuff. Not bad for a bloke who packed in school at 14 when - during an unofficial day off - a chance meeting with a casting director thrust him into acting and put the skids under his academic career.

"My movie career took off right then and I found something I wanted to do. I went back to high school a coupla years later but I never really fitted in. I still read as much as I can, but it's mainly scripts at the moment," says Matt.

For his 11 years in the business he's remained very true to his roots. He still has the same New York based manager as when he started out, despite some heavyweight carrot dangling by some of Hollywood's big boys. He still lives New York too, and isn't tempted to settle into the LA lifestyle.

"I like Los Angeles, but New York is my home. It's where I grew up. It's where my friends and family are. It's funny, 'cos there's like this invisible war going on between New York and LA, like everyone's trying to outdo each other. It's really stupid." He's far more comfortable in the down to earth urban surroundings. On his short visit to London he took in a couple of our less salubrious pubs and even ventured down a very street credible club in Brixton.

"It was some sorta party. They were playing all this heavy house stuff," explains Matt, adding that although he likes it, "it can get a bit much!"

His own tastes are broad: anything from rap, rock'n'roll, Motown to jazz. And while he's happy to talk about most of his interests, venture into the area of being a sex symbol and you're treading precariously.

Luckily he's in a good mood. My thinly disguised question about "the pretty boy genre" is met with feigned ignorance. "I don't think I know that genre," he grins.

"Look, put it this way," he relents. "I think it's OK to be good looking or handsome or whatever - it can only be helpful." It can also prove a hindrance when all Matt wants to do is ply his trade as an actor and all anyone ever talks about is his finely chiselled jaw.

But when it comes to women his looks swing very much to his advantage. At one time in his career it was reported that scores of lovestruck girls camped outside his house, and during a previous visit to the capital Matt had the pick of Chelsea's finest Sloane Rangeresses at a King's Road nightclub. Like all good gents he won't talk about his private life, but is adamant that he's not the one night stand type. All the same, he finds it hard to sustain a relationship.

"I get restless," he admits. "It's easy to become the devil's playmate. You turn to other things for excitement, which makes it hard on the girl I happen to be with."

And while it smooths the way for attracting women, being Matt Dillon can also cause more than a few problems. "I was on this train once with a new radio (he collects ghetto blasters, the bigger the better) and these two guys pulled a knife on me." Matt says he didn't put up a a fight, figuring that it was less painful to replace a radio than risk a stabbing. Sensible chap.

And then last summer he was followed round a club in New York by a guy who kept goading him. Matt chose to ignore the taunts, but the bloke kept coming back at him. Eventually Matt silenced the heckler with a well aimed fist. Just like in the movies.

A lot of his films - *The Outsiders, Rumblefish, Kansas* - perpetuate that image and he'd like to move away from it. Last Christmas saw the release of *Drugstore Cowboy* in which Matt assumed the guise of a downbeat drug addict. "I'd like to do a romantic lead or maybe even some comedy next," he informs me.

And what's his idea of a good times outside of work? "Sitting in on my own with a bottle of warm vodka, with the lights out watching Spanish speaking television programmes," he says earnestly. But he can hold a straight face no longer. "No, I'm only kidding!" he guffaws.

Matt Dillon has good reason to be laughing too.♣

And what a finish there was to come! While Luke did me from behind then pulled out to shower me in come, I saw Carl's cock massaged between Liz's 36D's before covering them in jizz. Neighbourhood Watcher

As you know this last summer was wonderfully hot, which helped give me some wonderful opportunities to engage in my hobby - girl watching. I live in a small flat in a quiet cul-de-sac and with the flats being so close together I often manage to see (and hear) what my neighbours are up to without any difficulty.

Earlier on this year two young Australian girls moved into the flat opposite mine. They are both stunningly beautiful. One girl has long blonde hair and legs up to her armpits, while the other has short dark hair with a more curvacious figure. I had been keeping an eagle eye on their bedroom window hoping to catch a glimpse of either of their scantily clad bodies, but the most I had seen until then was the dark haired girl in her skirt and bra. She had beautiful tits but I just couldn't see enough to get my balls tingling.

One evening early in the summer my luck changed. It had just got dark, and as is my habit I always have a quick look around at my neighbours' windows before switching on my light. I noticed that the girls' bedroom light was on and the windows and curtains were wide open. I decided that it would be worth my while keeping an eye on the room for a few minutes so I got my binoculars out. I could see most of the bedroom from where I was sitting so I was really hoping that one of the girls would be careless.

APOLOGY

We would like to apologise for using the above picture, which shows the Kluane glacier in Yukon, Canada. It has no relevance whatever to the subject matter of this magazine: there are no taut bottoms or fleshy boobs to be seen, and the glacier in question does not remotely resemble any female naughty bits. The Editor has issued the following statement through his legal advisor, Mr Bazza Brief:

"I fully accept that the above picture should never have appeared in Club International. I bought it for an extremely large sum of money while under the influence of alcohol. I now realise the error of my ways, and I guarantee to our readers that the picture will never again appear in this magazine."

You may like to know that as a punishment, the Editor has been forced to eat his left leg. Not a pretty sight, we can tell you.♣

exclusive

my my Maria!

Top Page Three girl Maria Whittaker's new regular column – only in Club!

Hi there, lads, and welcome back to my exclusive column in Club. After my lie-in between the sheets last issue, this month I've squeezed my frame into a riding outfit just like you asked. It's a bit tight around the flanks, but I'm sure you won't

mind that!

Since last month, I've received literally hundreds of ideas for photosets you want me to try, but this one really appealed to me. When I was a girl I wanted my own pony just like many other girls. I even took a few riding lessons at a local school, but it wasn't long before I was bursting my breeches and busting out of my blouse. I couldn't ride the pony, I kept over-balancing and falling in the water jump! I felt a right drip, I can tell you.

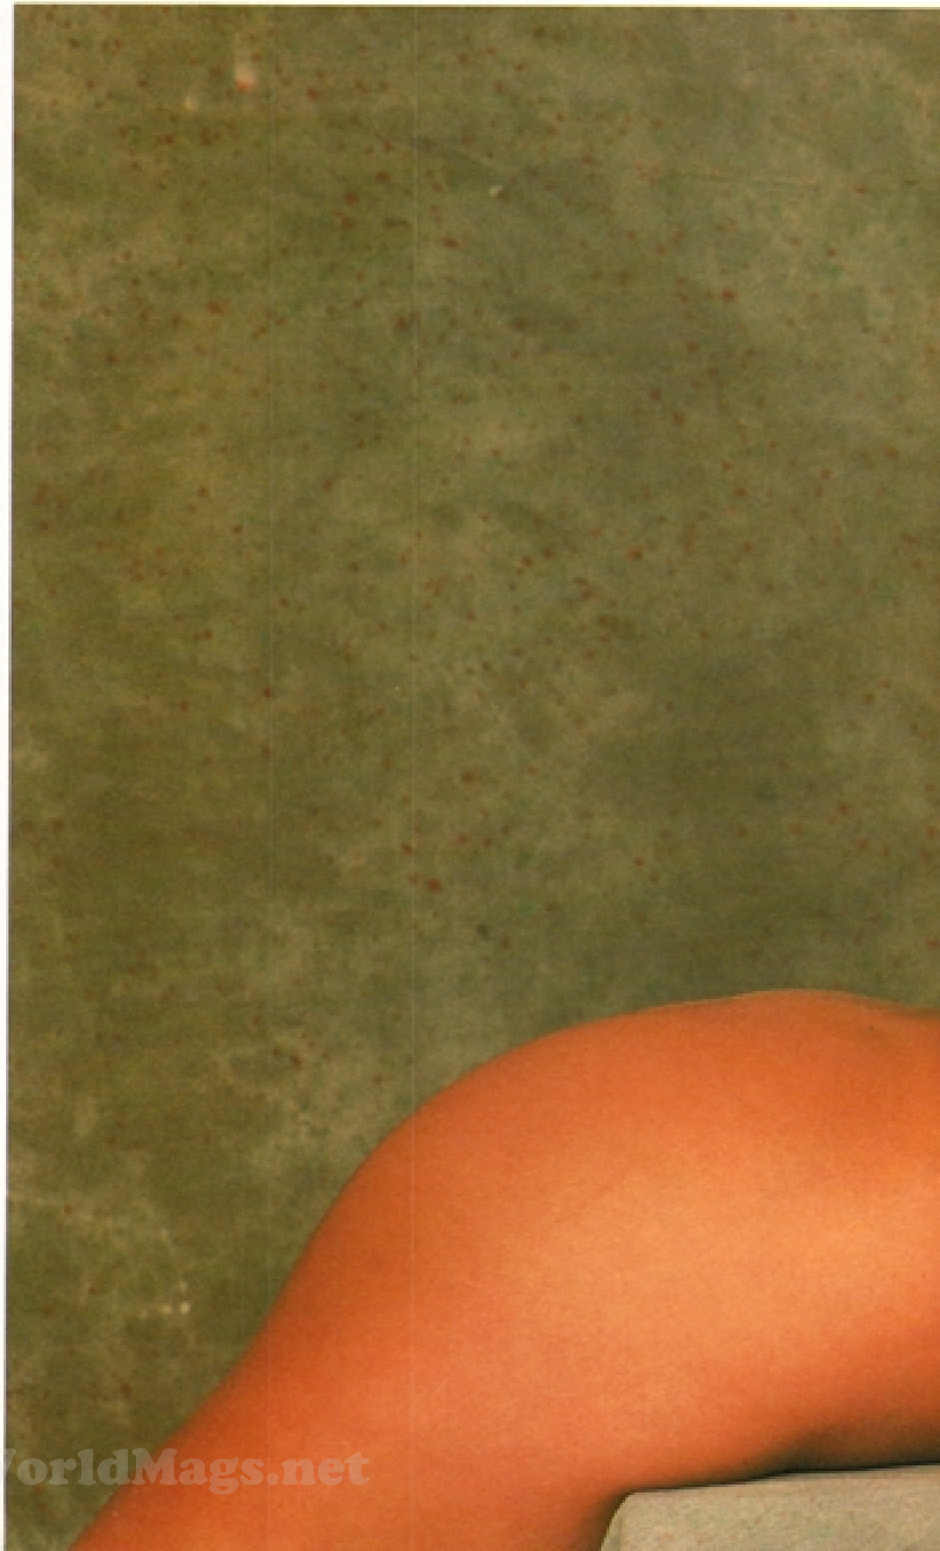
So it was quite nostalgic peeling off those skintight jodhpurs on again and slipping out of that crisp white blouse. The breeches really were tight too. No room for knickers! That's true of a lot of my outfits, actually. Panties can ruin the outline around my bottom when I'm wearing my favourite tight jeans or skimpy dresses, so I just don't bother!

Bras can be a big problem when you're a 36DD like me. I have trouble getting ones to fit! But of course because I wear low fronted dresses and lacy lingerie for a living, it can be a great laugh trying to squash my boobs into a starched shirt and all that formal riding gear.

And they're off! Nothing left of the old horsey rig-out now, just little old me after a strip-off against the clock. Ooops, it seems I've got four faults - I can't keep my clothes on, my boobs are a bit of a handful, I love being in the limelight and I can't resist reading your letters. Oh well, at least I've never made a refusal!

Hopefully I'll be be seeing you all again soon, but do keep on sending me those letters - I'll try to keep you all happy!

Maria xx



MARIA'S LETTERS

Dear Maria,

I love you in your various outfits but I wondered if you'd do something different for me. How do you fancy getting wet? I'd love it if you could take a warm shower in a stunning white evening dress with black undies and stockings so that they showed through the transparent dress as it got wet.

You would, of course, pick a pair of black satin knickers with lacy trim and matching suspenders. To really set the outfit off, what about a pair of long black evening gloves? That would give a lovely sheen all the way up your arms as they got wetter and wetter?

After a few minutes playing in the warm water the drenched dress would caress your curves like a second skin, the stockings would gleam under the lights, and your hair would be as dark and glossy as a brand new

Rolls Royce!

I dream about this all the time. Please let me know whether it would ever come true. - Andy, Kent

I have always enjoyed wet T-shirt shots - but a whole evening dress! If Club organise it, though, I just might. Also, the water would have to be warm. Cold showers are strictly for the Ed after a long, hard day in the office!

Dear Maria,

Have you ever appeared on the big screen? I'd love to see you across 12 foot of my local Odeon.

- Max, Middlesbrough

Yes, I've had a couple of small roles in films. I appeared topless in Whoops Apocalypse *(the movie version) and I'm in* Tank Malling. *The first one was really embarrassing though. I played a full-bodied squaddie and had to take my top off in front of the entire crew. Then I appeared topless in close-up - very nerve-racking, especially that bit with the clapperboard - that could have been very painful! But no, my screen career is just getting going, and I hope to be getting bigger parts in future. (They seem big enough already to me - Ed).*

Dear Maria,

I have a collection of over 200 pictures of you but my wife won't let me put them on the wall. I think she's jealous of you. Can you convince her that it's not doing any harm? *- Your biggest fan, Bromley*

How about letting her put up some of her favourites as well? I bet she's got a few favourite hunks. By the way, which is your favourite picture of me? Send it in, and I'll sign it.

Dear Maria,

My personal fantasy would be to see you in leather clothes. Biker's jackets are all very well, but lots of people these days wear sexy leather skirts and tops, so why don't you?

My ideal would be you in a black leather catsuit like Honor Blackman used to wear in *The Avengers*, one that clings all the way up your legs, over your bottom, and hugs your lovely breasts. The light would shine on it, gleaming on the glossy fabric.

Please put some classy leather on for us, and then slowly peel it off in Club. - *Steve, Blackheath.*

I wear leather quite a lot when I'm out and about - leather jackets, and even leather dresses sometimes. I love the way it feels against my smooth skin. If the Ed wants me to, I'd love to take some off in my next Club session! ♣

SON OF BAD JOKE

This month's rusting rib-ticklers were sent to us by Jim from Minehead whose wit is the talk of his local - usually behind his back.

It has just been announced that the Post Office is to issue a special stamp to celebrate 2000 years of prostitution. It will cost 20p and an extra 10p to lick it.

What do you call a cow with its bum in the air?
Buttock-up.

An old man retired after 40 years working down the sewers. To commemorate this event, the local radio station decided to interview him about his life's work.

"With me is Sid Rectum, sewage worker, who's about to retire. Tell me, Sid, has 40 years in the sewers taught you anything?" asked the reporter.

"Yes sir," Sid replied proudly. "I can recognise people's turds."

"Really? Can you give us a demonstration?"

"Of course," said Sid. "For example, you see that long thin one coming down now? That's my boss's - he's a tight arsed bastard. Now that corkscrewed one - that's Cedric the poof's. And that third turd is one of my wife's."

"That's astonishing!" exclaimed the radio reporter. "The other two I understand, but how do you know that that third one comes from your wife?"

"Easy!" replied Sid. "It's got my sandwiches tied to it."

How can you tell the McDonalds from the Campbells by looking under their kilts?
Only McDonalds have quarterpounders to take out with a shake.

***Thank you, Jim. You win a signed picture of Maria Whittaker and the knowledge that your friends think you're an unfunny tosspot.*♣**

IN·THE·BAG

Continued from page 27

I didn't have long to wait. Soon I saw the blonde girl walk into the room and begin to unbutton her blouse. She was soon standing there dressed only in her bra and a minuscule pair of panties - the stuff hard-ons are made for! She slowly reached behind her and unclipped her bra. As she slipped it off I caught my first glimpse of her lovely tits, not much more than a handful but with lovely nipples a dark shade of red.

She was soon massaging those two golden orbs, squeezing her nipples between thumb and forefinger. The look on her face was one of sheer ecstasy and I couldn't help wriggling out of my trousers to give my throbbing cock a squeeze. Then I watched in amazement as she slid one hand down her body and started stroking her wet little pussy through the silk knickers. It didn't take her long to ease those panties off and climb on the bed to give her slit a good going over. Her splayed legs gave me a first class view of glistening pussy lips framed by exquisitely sopping blonde curls.

She had a wonderful cunt, and I gasped when she managed to slip three fingers right up that slit. It was too much for me; I could almost smell the delicious aroma of fresh pussy juice which must have been filling up that room. After about ten minutes of frigging herself she got up off the bed and went over to a cupboard. I could clearly see her rummaging about and when she returned to the bed I saw she had a huge black dildo in her hand. Thinking back to how stretched her cunt had been to take three fingers, I couldn't imagine that thing fitting up her. But I couldn't

BIG BASTARD MOTORS!

We all know that the Americans do everything bigger and better than we do, so to accommodate their expansive egos they've come up with limousines stretched to over 12 metres long! But despite the on-board comforts of five TVs, four telephones and three sofas, with a turning circle of 16 miles, they are not the most convenient of cars. Inner city parking requires special council planning permission and a government grant to cover the cost of 58 parking meters, and when the driver's in Barnet you're still in Trafalgar Square. Still, at least you can forget those cramped shags in the back of her 2CV - these limos are licensed to hold an orgy of up to 16 people. We are now booking.♣

Ultra Limousine

wait to see her try!

She gently placed a pillow under her bum and then, with one hand holding those pearly lips apart, placed the giant head of that rubber dong against the entrance to her love tunnel. Her face was a picture of determination as she slowly applied pressure to the base of the dildo. There was no stopping her now, and she let out an almighty scream as she shoved the entire length of that dong up her juiced up pussy.

The sight of her beautiful face thrashing from side to side, together with the view of her pumping that black rubber cock into her blonde framed cunt, was all too much for me and I shot load after load of hot sperm into a towel. When I next looked up she had stopped pumping that thing into her ravenous little cunt and now appeared to be fast asleep cuddling the dildo.

Thinking the show was over for the evening I got up to go and wash myself, but was soon stopped by the sight of her dark haired room mate walking home. I thought it might be interesting to see her reaction when she walked into the bedroom. It must have taken her all of 30 seconds from walking into the room to climbing up on to the bed, naked. She wasted no time with preliminaries as she slowly lowered her head towards her sleeping friend's still sopping crotch. It didn't give me much of a view as all I could see was the dark haired girl's bum rocking up and down in rhythm with her tongue, but that soon changed when the blonde girl leaned up and pulled her friend towards her.

They kissed and rubbed their bodies against each other

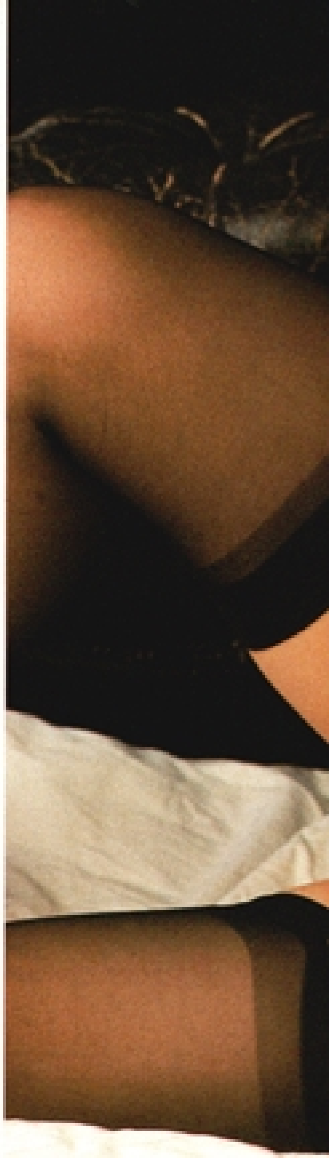
Veronique

photography by Michael Moore



If 22-year-old Veronique looks the deep, moody kind, then appearances are not deceptive. But one mood predominates - sensual.

"Yes, I can feel horny anytime," says the nubile receptionist from Wiltshire. "I get hot on the bus, at work, anywhere, and when I'm turned on, any guy could be on the receiving end." The first signs? A smouldering stare, and fingers toying with her blouse buttons. Look out for them...♣

Ginny

Well, this really is quite extraordinary, as David Coleman once said! Ginny, our centrefold last month, has received more fan mail than any other girl we have carried since the year 1683! Ginny, a 20-year-old budding model from Cheshire, was gobsmacked when we whisked her down to London for another session. "I didn't realise the readers would like me so much. I've been sleeping with guys since last year, and they always say how pretty and sexy I am - but men say that to every girl, don't they? I thought I was just average really. But I read some of the lovely things your readers

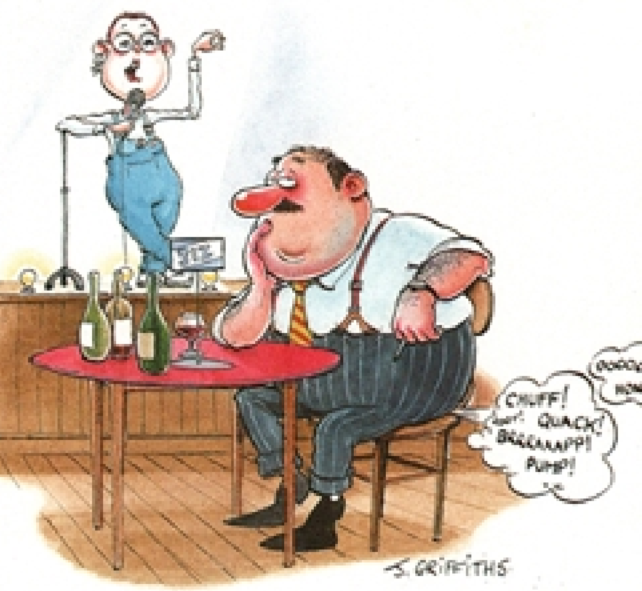
said about my tits and my pussy, and they've obviously gone a bit crazy about me. It's so flattering and sexy to know I've turned them on this much! Stripping for Club really gets me horny too: I just get this funny urge to stick my bum in the air and wiggle it about! So I'll be back to model for Club any time you want me."

So what about it lads - should we make Ginny our new regular girl, to follow in the footsteps of your faves Andrea Clarke and Maria Whittaker? Let us know what you think, 'cos here at Club you're the boss! ♣

GOBBLE!

Who else but ***Nathaniel Fatbastard****, the Bernard Manning of haute cuisine, could we possibly send to the Jiz Comic Anniversary Party?*



JIZ
CHUFF!
QUACK!
BRRAAAPP!
PUMP!
J. GRIFFITHS

As something of a big knob in the media, I frequently rub up against stars of stage, page and screen wanting to suck up to me. Only the other week, I was invited to a big bang, this time to celebrate the anniversary of the highly successful 'alternative' humour magazine, *Jiz* comic (90p).

For those who've yet to be deluged in *Jiz*, it's an overpriced series of black and white comic strips detailing the adventures of a series of incontinent characters with mis-shapen bollocks and Geordie accents, and is rapidly becoming as fashionable with well-off wankers as talking loudly about obscure holiday destinations. These days, hardly a dinner party goes by without some 50 grand-an-hour merchant banker braying, "I say, pass the beer and tabs, you poond of old shite, ha-ha-ha!"

And although some still find *Jiz* hard to swallow, no less an authority on fashion than poofy style magazine *Gentleman's Hind Quarterly* (or *GHQ*) called it "a triumph of incorrigible anal profanity", whatever the fuck that means - so I'd thought I'd better go and find out more.

The *Jiz* Party was held in the Lower Gateshead Non-Working Men's Club and Scout Hut to celebrate their One Millionth Fart Joke, and since the invitation promised a free meal, wine and cabaret, I thought it worth parting with civilisation for 24 hours to attend. So, after booking into the north east's smartest hotel, the *South Shields Sheraton Hilton Inn Guest House* (£9.50 a night including use of cruet), I made my way to the venue.

This top north east nightspot is a testament to the versatility of melamine, and boasts one of the world's finest collections of stains and fag burns. However, being a club there is a strict dress code. Under no circumstances will anyone not wearing a tattoo get served.

Since the free food and booze had yet to come on tap, whilst I waited I plumped for a few pints of Newcastle Black (57p a pint) and demanded a box of roast beef flavoured crisps.

"Wha-aye, pet, sorry, this is a vegetarian do, like," said the big-titted tart behind the bar. "Most of the meedyah types prefer it."

"They're cunts then," I quipped, and settled instead for two bags of Potato Scratchings (22p) and a packet of Smokey Acorn Crisps.

Soon afterwards I took my seat. The meal and wine were most disappointing. The booze, a Liberian Liebfraumilch bottled under a label of convenience, was slightly acidic both for my taste and the tabletop, whilst the meal continued the vegetarian theme - a few random leaves claiming to be a salad with something looking like a bright orange cunt that I was told was called a samosa. Worse, however, was to come in the cabaret.

In my day, the word cabaret meant smart dinner-jacketed raconteurs, singers in glittery frocks and dancers getting their tits out. However, all that has changed. Now we are treated in unshaven lefties in jeans and fat frumps who shout abuse and who obviously find shampoo too environmentally unfriendly to use.

The MC was Ben Eton, a left-wing millionaire, who'd found time in between writing best sellers, appearing on TV chat shows and scripting hit comedy series to shout about the evils of capitalism before getting into his helicopter to fly back to his Knightsbridge flat. Then came the Screaming Hussies, a three-girl acapella group. In case you don't know, 'acapella' is Latin for 'unable to afford instruments', so the tuneless tarts sang anything they bloody well liked in about as close a harmony as Iran and Iraq. They did, however, boast a rhythm section. Their long dangling earrings beating against their cheeks provided as loud and solid backing as Keith Moon at his finest.

They were followed by feminist comedienne Jenny Lecunt, a short-haired harridan, whose idea of keeping sexism out of comedy consisted of doing gags about small willies, premature ejaculation and how fanciable men with small arses are. Top of the bill was meant to be Bilious Connolly, a down-to-earth ex-Glaswegian shipbuilder and piss artist who tells jobbie jokes, but unfortunately his Rolls Royce broke down. So instead we had to settle for another Jock, Gerry Sadlackofwitz, who treated us to a routine consisting entirely of shouting, "The Home Secretary's a fucking cunt!"

As you can imagine with such a star-studded bill, I opted for getting as much free plonk down my neck as possible, so I was pretty pissed when I was finally introduced to the four teenagers who produce *Jiz*.

"Hi, I'm Donald Christopher, the shy retiring young man who started *Jiz* in his bedside cabinet ten years ago and turned it into a ten million selling magazine available in all good newsagents," said the Editor. "And this is Graham Puerile, PhD (Cantab), inventor of Jenny Taylia and her Embarrassingly Large Piss Flaps, and the Plump Vamps. Oh, and these are the other two never get interviewed."

"Pleasshhed to meet you," I said, shaking their inky hands. Unfortunately at that moment my wholefood meal decided to head for every hole it could find and I managed to puke, shit, cough and sneeze simultaneously.

"Wha-aye, pet! What a great idea for a cartoon character," exclaimed the Editor.♣

OOOPS!

Yes, it's more bimbo bloopers saved from behind the Editor's desk!

Getting into this cottage proved a pane in the arse for Debbie, when our bum of a lensman accidentally locked them out. Instead she slipped into this tight hole on the back side of the building. Cheeky!♣

"When you come from Athens, Georgia," drawls this month's centrefold sensation, 20-year-old Teri Trefini, "there's not a whole lot you can do except strip off and play with yourself. That's why I've got an all-over tan, as you can see. And I love showing it off too. I come from the Deep South in the States, and things can get real repressed over there, so I've always fought that. I'd been brought up to think that masturbating was wrong, but along the way I've

discovered for myself that it's very right for me!

"The summers in the South are real hot and steamy, so what I love to do is lie on my balcony, totally naked, feeling the sun heating up along my tits and my pussy. That always sets up a throb, and I only have to touch myself a little before I come. I just love that feeling when I tingle all over. I'm sure you can imagine what I mean.

"In fact, when I was opening my legs for you, and showing off my boobs, I was dreaming of being on my balcony. But when I took one of my nipples into my mouth and sucked it till it was stiff and throbbing, it was you I was thinking of. And I sure hope it's *me* you're thinking of when you're playing with those peckers!" ♣

Leanne

Photographs by POM

"I know a lot of girls who hate being built big," Leanne from Hull told us at her photo session, "but I love it - and so do the guys I meet. They just say that there's more of me to get hold of!

"I've always been a big girl, and when I finally realised that I was never going to be skinny I thought I might as well make the most of my assets. I'm five feet eleven without my heels on, and my measurements are 37-27-38, so I look like a real handful. I've never found it difficult to get boyfriends because blokes love my big, squashy boobs, and my lovely bum and long legs - and when they get me into bed they find out just what a handful I really am.

"I must confess that I do like men who are

shorter than me, though I couldn't tell you why. Perhaps I like to be just a little bit dominant sometimes! My last boyfriend was only five feet five - but he really knew what to do with all of his inches!" ♣

Women's Writes

Where the girls get down to business

THE BARE ESSENTIAL

After seeing some of the Club girls with shaved pussies lately, I had often thought of giving it a go myself, so one Saturday morning, after a long, luxurious bath, I decided that it was time to see what it was like.

When I'd dried myself I lay on my bed and admired my lovely smooth mound and fleshy lips. My skin felt a tiny bit tender, though, so I thought a little baby oil would soothe it. Pretty soon I started to get carried away, rubbing the oil frenziedly all over my cunt and thighs. It tingled sexily, and I could smell my own pussy cream mingling with the perfume of the oil.

I'd been at it for a while, enjoying a couple of mini-orgasms in my clitty, but I knew that the big one was just about on the way. It was then that I heard my back door opening and the voice of my next door neighbour, Jimmy, calling me. To my horror I remembered that I'd asked him to come round to fix one of the taps in the bathroom! Being so busy with my oily, shaven pussy, I hadn't noticed the time. There was no way that Jimmy wouldn't know what I'd been doing.

I quite fancied Jimmy, even though he was ten years or so older than me, and so, thinking I'd easily be able to seduce him, even though I'd never encouraged him, I called him up to my bedroom, getting hotter and randier at the thought of him seeing me wanking my smooth, shaven cunt, dripping with love juice.

Imagine my shock when it wasn't Jimmy who came in but his 19-year-old son, who was ten years *younger* than me! I don't know who was more embarrassed, as we both blushed scarlet - as if I wasn't hot enough already. I wasn't so sure that a young man like Carl would be interested in me, even though I take good care of my body and have a trim figure with a 37 inch bust. Carl just gaped at me playing with my pussy, and I could see a movement stirring in his crotch.

"Does it shock you," I said, "me wanking like this? Don't you think it looks sexy?"

He stammered a 'yes', still rooted to the spot. "It's just that I've never seen a girl's... thingy like that."

"You mean hairless?" I asked. "I've just shaved it, and that's why I'm rubbing my pussy with oil. Wouldn't you like a rub too?" He came over and I gave him some more oil to put on his hands before he started rubbing me.

My cunt was almost on fire by now, and as he squelched the oil between my lips I ordered him, "Get those clothes off, I want to see your dick!" He couldn't get undressed fast enough, and I immediately grabbed his tool, giving it a few swift strokes with my oily hands.

"Shag me," I begged, and even though my cunt was so slippery and wet, it still felt

tight and full because Carl was unbelievably big. The rough hairs of his crotch tickled my smooth, shiny mound as he shafted me rhythmically.

I could still feel the slipperiness of my skin against his, and my sheer excitement rose even further when he started massaging my big, sensitive boobs with his oily hands. I'd been so turned on before Carl came in that it didn't take much more to bring me to the shattering climax that I'd already been working up to, and as I bucked under Carl's thrusts, I felt his spunk jerking out into my cunt. He withdrew almost immediately, leaving a trail of spunk over my pussy lips, which I rubbed over myself, mixing the sticky come with the sweet oil, and even managing to give my clitty another little orgasm.

I've seen Carl a few times since, and of course, he likes me to keep myself ultra-smooth. Our fucking always involves that baby oil, which I've also taken to using every time I wank - which these days is very often! - *Alison, Ashton-on-Mersey*

HANGING ON THE TELEPHONE

My name is Maria and I work as a secretary. I've always found my boss, Stephen, very attractive, but until recently I'd been a bit disappointed that he'd never asked me out or even flirted with me. I couldn't bear to think of his juicy cock going to waste.

A few weeks ago Stephen seemed to get into the habit of telling me he didn't want to be disturbed in his office because he had some important telephone calls to make. This started to happen so much that I began to wonder what was going on, so one day I picked up my phone and intercepted his line. I was surprised, even a bit shocked, to hear a breathless, panting girl's voice cooing about her smooth boobs. It was then that I realised that Stephen must be listening to one of those recorded sex messages.

Peeping through a gap in the wooden partition separating Stephen's office from mine, I saw him sitting in his chair, trousers open, clutching a raging hard-on as he listened to the recording. I was damp between the legs immediately, and by the time I saw him creaming his load into his hand I felt really itchy and horny.

I fancied him even more then, having seen him so worked up, even though I thought that the phone message had been pretty tame. So the next time he said he didn't want to be disturbed, I decided to give him something special.

I intercepted his call by cutting off the line after it rang, and then I started talking as if I was the number he'd called. "Hello, big boy," I began. "My name is Maria, and I work as a secretary for a really sexy boss who I fancy like hell. I get all goosy and damp when I think about him. Sometimes I daydream when he's out of the office and imagine him fucking me. I'm thinking about him now. Shall I pretend it's you? Would you like that? You're not playing with yourself, are you? That would just make me even hotter. I'm undoing my blouse and lifting my boobs out of my black bra now. They're really big and full - I bet you'd like to hold them, wouldn't you?"

While I was talking like this I sat on the edge of the desk so I could spy on Stephen in his office. "My pussy's getting very wet now. I'll soon have to take my panties off and give her a stroke. Do you like stroking? Are you stroking that big, fat cock of yours?"

I saw Stephen start at this - it was obviously not what he was used to hearing. "I'll bet you love wanking while I'm talking to you, don't you?" I continued, getting more excited by the minute.

"Can you imagine what I look like? I'm sitting here on my desk with my legs splayed open and my tits hanging out of my blouse, and I'm rubbing my pussy lips, making my cunt tingle all over. Take your pants right down, go on."

I watched as Stephen, glassy eyed, did what I told him. "I wish it was me holding that hard cock," I purred. "I love wanking big boys like you off." All the time I was getting hotter in my cunt as I talked dirty to him. "I'd love your cock between my tits. Do you think you can come for me? If I wank off while I talk to you, will you imagine coming all over my tits?"

Then I started moaning and made noises as if I was

coming. And then, as I fingered away at my soaking hole, I realised I *was* coming!

"Ooh, come on, you horny boy," I gasped. "I can't stop myself. I'm coming! Shoot for me. Empty your juicy, fat cock all over my hot tits. Give it to me!" Even though I was jerking myself on the edge of the table, I could still get a good view of Stephen shooting his creamy wad all over the place.

"Was that nice?" I said into the receiver when I'd finished my orgasm. "Haven't you got a real secretary you'd like to do that with? Come on, I think there's more life in that lovely cock. Why don't you come next door and see what's waiting for you?"

There was an indescribable look on Stephen's face as he immediately rushed into my office and saw me, still sitting on the desk, my skirt up around my waist and my legs wide open. My thighs were streaked with love juices and my flushed boobs were hanging out of my blouse. He stood there speechless, his semi-hard cock drooping, with a big blob of come on the end.

"Come on," I said, "isn't this what you've been fantasizing about?" I took hold of his sticky cock and lifted it to my mouth. It was hard again in seconds.

"Just do it here," I said. "Take me on this desk." Stephen didn't need telling twice. I lay back on the desk and felt his long, hard length penetrating my hole. I came again almost immediately. In fact, I came again and again while Stephen pawed my sensitive boobs and rammed me with his tool, which was every bit as meaty as I'd imagined. He took ages to come again, but I was in seventh heaven, and I felt like I was exploding when he shot his second come-load in my fanny.

Needless to say, we are now together all the time - I can't get enough of him, and when he's away on business, we still have sex every night! - *Maria, Stockport*

Holiday Blues

Country Living

I'm bisexual, and have been out of the closet, as it were, for a number of years now. My husband knows all about my preferences, and while he's not entirely happy about it, he knows that I'd probably have to leave him if he didn't let me go about things my way. My current girlfriend is a real Sloaney type, totally the opposite to me, a real down to earth shop assistant for a well known department store. I actually met her when I served her in the shop one day, and to look at her (she's a horsey looking brunette with a year-round tan) you'd never guess that she's a rampant bi.

Her friends are the sort who have house parties in the country, so she's invited me along to quite a few of those. I don't think many people know that I'm her lover, but I'm sure a lot of her friends wonder just what she sees in me, and why we seem to be such great friends. Little do they know that she can't do without my special brand of cunt licking, and when we stay at these country houses in separate rooms, we always creep across to each other to have our fill of licking each other out and frigging each other off.

I'd like to tell you what happened on one of these house party weekends. It was held in the middle of Shropshire at this beautiful old barn that one of her friends had obviously spent ages and a fortune doing up. All the bedrooms were in what had been the roof of the barn, and the lounge and living area were one big, airy open space. Outside was a swimming pool and a lovely landscaped garden, and I reckoned that the house party that weekend was about 40 strong.

Fiona and I were among the last to arrive, and when we'd settled in I decided to take a look at the other guests. There were some really beautiful women and handsome guys there; my eye

was caught by one in particular, a tall, dark bloke who seemed to be on his own. Our hostess was a tall, thin woman in her early 30s, who didn't seem to be bothered much about introducing everyone, so I made up my mind, when our eyes connected across the lounge and I felt the instant kick of attraction in my cunt, that I'd be getting my claws into him before the night was out.

The whole party was very informal, and during the early evening there was a buffet laid out, rather nouvelle cuisine with lots of little nibbles and daintily cut raw vegetables. Not very filling for a girl with appetites like mine! So, while Fiona was hobnobbing with some of her county friends midway through the evening, I decided to sneak off to the large and no doubt well stocked kitchen to get some real food. Besides, I still hadn't caught sight of my bloke yet, and I wanted to have a good look round for him.

I soon found him - he'd obviously had the same idea as me, as he was tucking into a huge bowl of potato salad from the fridge. He looked up guiltily as I blundered into the room, then grinned when he saw that it was me.

“All that posh stuff out there wouldn't feed an ant,” he told me, his eyes never leaving my face as he gulped a huge mouthful of the stuff.

“I fancied something to eat as well,” I told him boldly. The wine had really gone to my head. I'd certainly found something to satisfy my appetite. He knew it too, because he put down the bowl and came towards me. Our bodies were touching all the way down, our groins pressed against each other, my nipples stiffly digging into his chest, his hard-on throbbing against my mound.

“Quick, into the pantry,” he breathed, as we became aware of the noise of the party in the next rooms. As soon as we'd shut the door of the pantry behind us I bent down, kneeling on the floor in front of him as he backed against the shelves and taking his lovely, thick, purple veined cock out of his pants and into my mouth almost in one swoop. It tasted delicious.

I started my special brand of cocksucking, the one that my husband loves so much, licking firmly all along the shaft, feeling it grow in my mouth as I sucked the knob end, tasting that scrummy pre-come. I cupped his balls in my hands at the same time, kneading and squeezing them till this guy was groaning with pleasure. I felt really wanton as I didn't even know his name.

“I'm going to come any minute,” he warned me, his cock twitching in my mouth as I lightly grazed it with my teeth.

“Good, I'm hungry,” I replied, and that really sent him over the edge. I felt the creamy wad of spunk shooting out of the end of his cock and right down the back of my throat. Two or three spurts and I'd swallowed it all.

To my surprise and pleasure, his cock didn't go limp immediately, but instead stayed stiff and eager for more of the same. But my sticky cunt needed some attention, and so I stood up, pulled down my panties and lifted my dress, so that he could feel how wet I was as I pressed myself against him.

“I want that in my fanny,” I told him. “Get it up there.”

He could hardly wait, and I was so wet from the excitement of our illicit encounter that he slipped right in easily. He pulled me off my feet and wrapped my legs around his hips so that he could shaft me harder, although it only took a few strokes before I was coming in floods. It felt so good to have a new cock in my cunt that I came off strongly, bucking my hips against him as he stood against the food shelves.

He hadn't even come again before I'd disengaged myself, and started straightening my clothes out. “I'd better get back to my friend before I'm missed,” I told him, leaving

him with a very obviously aching cock as I opened the door. "See you later." Fiona was still in the lounge as I slipped back into the room, unnoticed, but when she collared me later on I told her all about my encounter with the strange bloke in the pantry.

"God," she said, starting to touch me up as we lay there in bed, "I just find the idea of you making it with a bloke so exciting. Just make sure you let me watch you next time you do it." So we agreed that if I could snare him tomorrow, we'd engineer it so that she could have a good view of what we were up to.

The next day we decided to put our plan into operation. There was a party being held by the poolside in the evening, and by all accounts it was going to be a pretty wild affair. Fiona had explained that a lot of her friends were swingers, and that weekends like this were the only time that they could really let themselves go and

get into the kind of swapping and multiple sessions that they wanted.

By 9.30 there must've been more than 100 people there, and Fiona and I had almost given up hope of spotting my bloke when we saw him sitting with a few people in a corner of the patio. It was time for action.

Our arms around each other, we walked past him slowly, making sure he could see our hips touching as we glided past him, the way Fiona's hand was on my boob, touching my stiffening nipple. We went to the shallow end of the pool, where there wasn't much sign of anyone about, and lay down on one of the sun beds side by side. Through the thin material of our dresses we could feel each other's nipples, hot pussies and excitement of what was coming. As we started to kiss and touch each other our hands went down to each other's cunts. I pushed my hand up between Fiona's legs, feeling the wettening crotch of her panties as her juices built up. I just stroked her through it, feeling how she pushed her cunt against my hand, urging me to push my fingers into her pussy.

She was doing the same for me, her fingers already wriggling up under my knickers and sliding easily into my well lubricated cunt. She worked at my clitty with her thumb, flicking it roughly around and sending spirals of pleasure up from my pussy through the rest of my body. Our mouths were still glued together, our tongues duelling fiercely and juicily.

We were well into frigging each other now, with both of us getting our fingers into each other's pussies, when I noticed a shadow close by

one of the trees by the pool's edge. I knew it had to be my guy from the night before, so pretending not to notice him, I edging up so that I was kneeling on the lounger with Fiona on her back. She looked so horny lying there looking up at me with her legs spread and her wet pussy glistening in the darkening glow of the party.

I knew the bloke must be still watching so very slowly and deliberately, so that he wouldn't miss a thing, I lowered my mouth to nibble at the creamy skin of Fiona's inner thighs, making her writhe with pleasure as I worked my mouth up higher and higher. My tongue was about to make contact with her pussy any second. Then, as we'd planned, Fiona looked up and said in quite a loud voice, "Ooh, Stella, what if someone sees us?"

"They'll get a pleasant surprise then," I grinned, and very slowly and deliberately started licking at her love hole with exaggerated movements, as if I was licking one of those very soft ice creams. I could taste her lovely juices and I made a point of slurping them really loudly, and really getting my nose in there, teasing her clitty with it, making Fiona wriggle as she felt her orgasms building up.

She spread her legs around my ears as I continued licking her, giving her several orgasms one after the other, and I felt my own excitement building as hers did. It was time to make the next move.

"I need that dildo we've got in the bedroom," I said, a little too loudly to make sure our watcher would hear. With that, Fiona and I disentangled ourselves and started to walk across the patio. Before we went in through the French windows, I turned round and said to the watcher, "Why don't you come, as you seem to be enjoying the view?"

We didn't look to see if he was following us to my bedroom, but when we got to the door he was just behind us. The whole time he'd been watching us he'd never said a word, but from the bulge in his trousers it was obvious that he'd seen everything, and couldn't wait for more.

In the bedroom, I lay flat on the bed, my legs wide apart, my cunt glowing with juices, and pulled back the hood of my clitty, circling my finger round it to excite myself. Our bloke was standing by the bed, just watching in fascination as Fiona, stripped off and ready for action, producing my long dildo from my suitcase.

"Come on, Fiona," I said, propping myself up on my elbows, "get that thing up my cunt - I need fucking!" Straight away Fiona shoved it inside my pussy in one thrust, which brought my juices squelching out of my love hole with a loud noise. As she worked it in and out of me, I twiddled with my hard nipples and felt myself coming off, until I was panting with the force of it.

Fiona was frigging herself with her other hand at the same time, and opening my eyes for a second I could see that our watcher was wanking his cock. He was so into it, he hadn't even taken his trousers or pants right down. As I watched, temporarily sated, he shot a thick stream of cock cream over Fiona's arse, and then rubbed his still stiff cock all over her cheeks, spreading his come all over her bum.

As before, his cock didn't lose its stiffness after he'd shot his load, and all it took was a couple of wanks from Fiona before it was hard as a rock again and ready for me. With no ceremony he knelt between my thighs, hoisting my legs on to his shoulders, and then plunged his cock into me, shafting me with firm, probing strokes. That just set me off again, and I lost count of the number of orgasms I had that night. And that was before I watched him giving Fiona a good rogering too!

For the rest of the weekend, we hardly stirred out of the bedroom, and I wish I had time to tell you all the combinations that we explored. But the funny thing was that after all that, we still forgot to ask what his name was! So we're just waiting for the next house party to see if our mystery man turns up there too. Who knows, perhaps he's a Club reader too. - *Stella, Potters Bar*

Couples Confess

Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us.

My flatmate Rachel and I are a pair of really randy girls who like nothing better than to get a good shagging in at least once a week. When we first met we both had steady boyfriends, but since then for one reason or another we've both found ourselves single. At first we just enjoyed having a good flirt with as many men as possible - and we found that men couldn't wait to be chatted up by us. Hardly surprising, because Rachel is small and sultry looking, with glossy black hair and high, firm tits, and I'm busty, with long, curly red hair that seems to send the blokes crazy.

For a while we enjoyed just flirting and not going any further, though we knew a whole host of blokes who were creaming themselves to get into our knickers, but gradually we got pretty randy. I missed the feeling of having a good, hard length in my cunt, feeling the hot spurt of come inside me as I brought my man off. I know Rachel felt the same too because we both confessed to wanking at least three times a night, such was our desperation.

Finally we decided that we couldn't stand it any longer - we had to get shagged, or else. One Thursday night, we dressed to kill, with me in a skin tight blue velvet dress, showing off as much cleavage as possible, and Rachel with a pink satin number which showed off the length of her legs, and the fact that she was wearing her favourite stockings and suspenders. We knew we looked great, and as we packed a bottle of gin secretly into my handbag, it was a dead cert that we were going to score that night.

When we arrived at the club, it was packed. We were a bit annoyed at first, because the whole place seemed to be full of either couples, or girls on their own just like we were, hoping for a pull. We soon finished off the gin, and suddenly through my drunken haze I spotted a young looking lad of about 20, who was so obviously on the pull that I almost laughed out loud.

He was lovely looking, so Rachel and I decided that we had no time to waste. We knew that blokes never go on the pull alone, so we hung around the edge of the dance floor, with me eyeing him up madly while Rachel looked out to see if there were any more where he came from. Sure enough, his friend soon appeared carrying a couple of pints, and it was then that we moved in for the kill.

It was so easy. After about half an hour or so we'd got them in a corner chatting, and as soon as mine (he was called Simon) opened his mouth I knew I had to take him home with me that night. Glaswegian accents just do that to me. As the evening wore on I was beginning to wonder if mine would ever pounce, then suddenly, clearly encouraged by the drinks we'd been buying them, Simon leaned across and gave me the hardest smacker I'd ever had, thrusting his hot tongue right in between my teeth. That was just the cue that his friend Chris had been waiting for, and he really got stuck into Rachel in no uncertain terms. I could see him pressing his groin right against her, moving his hips in circular movements so that she must have been able to feel his hard-on.

Simon, meanwhile, had his hands everywhere, rubbing

my nipples as he snogged me, making them stand right out. I was dying for him to suck them, but obviously the club was too public for anything other than a good fondle. My cunt was really juicing up by then - I could feel them sticking to my pussy lips in my excitement - so I decided it was time that we did something drastic.

"We're never going to get fucked if we stay here," I said loudly to Rachel, breaking away from Simon for a second. She grinned at me, while the lads just looked shocked. For one minute it crossed my mind that they might even be virgins, but surely our luck couldn't be that good!

"Let's get a cab then," she grinned, and without saying anything else we grabbed the lads by the hand and dragged them outside and into the first taxi we could find. They were hardly protesting, I might add - in fact, Simon was into the taxi before we were.

I made sure I got on to the back seat with him, and soon had my hand diving down his trousers to find his stiffening cock in his pants. He wasn't all that big, but he was already very stiff, and that was just what I wanted. I started wanking him off, tickling his balls and feeling his cock lengthening as I stroked along his shaft as rhythmically as the jerky movement of the taxi would allow me. His knob was slick with pre-come, and I just hoped that he could hold his load long enough until we got home.

As I groped Simon he was feeling my boobs, teasing the nipples through my dress, making them hard and sensitive. He might have been young, but he certainly knew what he was doing. I was really raring to go! Suddenly I felt another hand pushing its way up my dress from behind, rubbing the cheeks of my bum through my silky knickers. Chris had obviously decided that, as Rachel was sitting in the front, he'd like to get into the action and prepare for what was coming!

At my flat none of us could wait to get down to some fucking. Rachel and Chris headed for the sitting room, while Simon and I barely made it through the front door. He leaned me against the wall while he put his hand up between my legs. I was so wet in my cunt that his finger just slipped inside me, and he pushed it in and out, using it like a prick. I opened my legs wider and he pressed his groin right into mine.

"I really need to fuck you now," he whispered, but I had other ideas. Getting down on to my knees I unbuttoned his flies and got out his lovely 20-year-old prick. As I'd suspected, it was smallish but very stiff, and I could tell he was going to shoot his load any minute, so I had to act quickly. Besides, the moans and shrieks of passion from the lounge were really turning me on, and a plan had formed in my mind which I knew would really shock both the lads.

"I'm going to suck your cock and drink down all that lovely jizz," I told a shocked Simon. "So you'd better just let me get on with it." He leaned back against the wall, giving in to me totally, while I worked my tongue expertly along his shaft, licking his balls, his bell-end, until I could feel his cock twitching madly and he shot a load of salty come into the back of my throat. The expression on his face as I swallowed it all was almost enough to make me come myself, but there were things to be done, and I had to act quickly.

Without saying a word, I dragged him into the lounge, where we came upon the indescribably horny sight of Rachel, totally nude, squatting on all fours on the floor while Chris, sporting one of the biggest stonkers I'd ever seen, a long, fat dick that was giving Rachel one of the most thorough shaggings she'd ever had. Every stroke was practically lifting her off the floor, and she was howling with sheer passion as he pulled out and then thrust back in again.

This was too much for me, and I flung off my clothes, telling Simon to do the same. "Don't just stand there like a lemon!" I told him, noticing happily that his cock had hardened again in his pants as he watched his friend administer such an expert shafting. "Get that cock hard again and give me a good seeing-to!" Simon looked pretty eager, and when he was completely undressed I could see that his cock was stiffening nicely without him having to help it along with his hands. Just then he went to switch the lights off but I soon stopped him.

"It's much more horny if we can all see each other," I told him. The sight of Rachel being fucked so thoroughly had really got me juiced up, and she was so well lubricated that Chris's cock was slipping in and out at lightning pace. Suddenly he slowed down, obviously about to come, but Rachel twisted round and pulled his cock out of her cunt, holding on to the end to stop Chris shooting his load.

That was too much for me. I pushed Simon on to his knees in front of me and held his head to my cunt. Immediately I felt his tongue snaking up me. He pushed it in and out, then gently ran it around the edge of my hole before plunging it back in again. I couldn't stand this for long so, keeping his mouth fastened to my cunt, I

sank down to the floor, lying back and spreading my legs as far apart as I could. Simon might have been young, but he certainly knew what he was doing in the muff-diving department, and I began to come with lovely, cunt-warming climaxes. I fondled my own nipples to get myself even more excited. Simon looked really surprised at that, peeping over the edge of my pubes as he ate me out, but the sight just seemed to make him go at it even faster.

Next to me, Rachel had Chris's cock up her cunt again, this time with her on her back, her calves resting on his shoulders as he knelt up and shafted her very thoroughly. From the way he was pumping into her, I could tell that he was going to shoot his load any minute, and Rachel was dying to feel that hot spurt in her cunt.

"Come on, you bastard, come!" she was urging him, wrapping her legs right around his neck to urge him on. Just as Simon ate me out faster and faster, and I came my juices into his mouth, I saw Chris's hips buck a couple of times and he shot his wad into Rachel's cunt. There must have been a lot of it because it dribbled out from between her pussy lips and coated the tops of her thighs until they were sticky and shiny.

As I was coming, Simon whipped his tongue out of my cunt and quickly replaced it with his hard cock. He didn't have to thrust many times before he came sharply as I writhed my pussy around his dick. My cunt felt brilliant as I had orgasm after orgasm. It wasn't just the fact of Simon fucking me, the sight of Rachel getting fucked right next to me sent me totally over the top. I've always been noisy when I come, but this time I was really panting and moaning loudly, saying the most filthy things as Simon continued to shaft me even after he'd come.

After that, the lads were knackered but Rachel and I were still on a real high - and still horny as hell! As we exchanged glances, I knew what was in her mind; we'd done it once before, and the effect had been astonishing on the guys we'd picked up that time.

Without speaking I moved across to where Rachel was still lying on her back, having uncoupled from Chris, and knelt between her legs. Chris's spunk was still dripping from her pink, swollen cunt, and I quickly started to lick it up, tasting the mixture of salty sperm and Rachel's own love juices. At the same time I played with her clitty, teasing the already sensitive little nub until Rachel was arching her back and urging my tongue to go deeper into her love hole. At the same time that I was licking out her sticky fanny I masturbated myself. I couldn't ever remember feeling this horny.

That was nothing to what the lads were obviously feeling, so Rachel and I went a bit further, kneeling up this time and kissing each other hard, our mouths wide open so that the lads had a clear view of our tongues tangling. We groped each other all over, with hands and mouths going over boobs, necks and shoulders. Rachel ran her hands down to my cunt, pushing one finger from each into my slick cunt, really probing into me, making my cunt tingle all over. It felt as if I was being fucked by two pricks at once, and I impaled myself on Rachel's fingers as she brought me off right under the lads' noses.

They were sitting on the sofa, watching the action with open mouths and stiff cocks. "What are you sitting there for?" I demanded, eyeing their hard-ons lustfully. "We're not doing this for nothing, you know. Get wanking!" Immediately they had their hands on their cocks, tugging their foreskins up and down, smearing their pre-come juices around the tips of their cocks, and soon Rachel and I were rewarded with sprays of come over our boobs and faces, which we rubbed into our skin with great glee. There's nothing I like better than a come bath.

Since that time we've only seen the lads a couple of times, but both times we've had great swapping sessions. I've fucked Chris and enjoyed the pleasures of his thick, fat cock, while Rachel has benefitted from Simon's great head giving marathons. We reckon they're a bit scared of us, but then again, I doubt that many orgies are held in East Kilbride! - *Carole, London* ♣

Diana

Photographs by Roy Brewington

If there's a girl who enjoys pulling things for men it's Diana Cooper. Twenty-three year-old Diana works behind a bar near Sheffield, though her reason for doing the job has nothing to do with her ability with the real ale.

"I'm a barmaid for one reason alone," she says. "I enjoy meeting men. I love dressing up for them and flirting with them. And, yes, I like having sex with them."

In fact, despite her pub's strict 'No bonking the punters' rule, Diana claims she has more satisfied customers than any other Yorkshire barmaid. One reason for this is her fondness for naughty dress. Short skirts, plunge fronts, PVC or uniforms, Diana squeezes her 36-23-35 frame into them all.

"I look on my job as a branch of show-biz - and that means putting the goods on show. But you have to be a bloody good customer to get to handle the wares!" ♣

CANDIE EVENS

The latest in our series of cream screen starlets is Candie Evens, a girl who's been around the block a few times - and she's still enjoying it!

"I love screwing, to be perfectly honest," cute Candie told us. "That's how I managed to get myself into blue movies. I had to work real hard for it, because I had no connections in the business when I started out. So I had to prove that I was worth it - literally!

"I'd go for auditions and really shock the directors by just unzipping their trousers and giving their cocks a real good going over. I just love blow-jobs, and I *always* swallow. Pretty soon I'd made my film debut, and I've never looked back since."

With films like *Amazing Tails*, *Backside To The Future* and *Tunnel Of Love*, the gal with the best arse in adult films has really made her name. So is there anything the 23-year-old hasn't done yet, and would love to?

"Sure. I'd love to get into more action with women.

That's something that I've only tried a couple of times on film, but I was really into it. I mean, who knows a woman's pleasure points better than another women? So that's something for all of you over in the UK to watch out for."

It certainly is! ♣

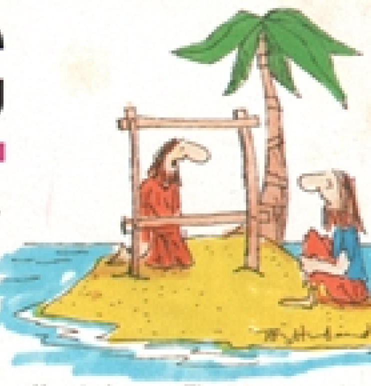
IN·THE·BAG

Continued from page 35

before the blonde girl threw her friend on her back and opened her legs. I nearly came on the spot when I saw that the dark haired girl had shaved her pussy. It made her beautiful pussy lips look so prominent and inviting. They had shifted position slightly so I could clearly see the blonde's tongue as she lightly tickled the shaven area around her friend's slit. She was soon holding those pussy lips open and I could almost hear her slurping away at those delicious juices.

The blonde girl had already started stroking her clit so her friend dragged her around into a 69 with that dark, gaping cunt facing me. They had not been at it for very long when the blonde girl sat up, no doubt squashing her wet cunt over her friend's mouth, and reached over for the dildo. She showed no mercy when she held open her friend's love lips and shoved it up her sopping love tunnel! Despite the fact that the brunette had a mouthful of pussy, I could hear her screams quite audibly. The blonde was soon ramming that thing in and out like there was no tomorrow, while at the same time tantalizing her friend's throbbing clit with the tip of her tongue. The sight of the floods of hot love juice gushing out of that shorn cunt drove me over the top and I let out an indiscreet little yelp as I splattered come all over my carpet.



Here is the news. The coconut crop has again failed this year...

I didn't see any more that night, but over the remainder of the summer I saw those two randy Aussies get up to some truly decadent acts together. - *Steve, Battersea*

Next Door - Fwaaa!

If you're taking votes for Club Girl of the Year 1990, you can have mine now! However hard you try, you won't, I'm sure, find a girl to match Sarah, the centrefold in Vol 19 No 1. As far as I'm concerned, she's already my girl of the decade. With that gorgeous body and the sort of sunny, friendly, delicious smile that can't be put on just for the camera, she's the girl next door par excellence. Alas, she doesn't live next door to me. - *Leonard, Wandsworth*♣

Dear Andrea,

Ever since we first laid our eyes on you, we've all been obsessively in love with you - especially in your rubber gear which was featured again in Vol 18 No 13. We almost wanked our cocks off over it. Our greatest ever desire is to see you dressed up in a Manchester United kit, preferably as that great number seven, Bryan Robson. Yours lustfully, - *The Henley Pervs*

***Glad you liked my last appearance in Club (for the time being at any rate) - I hope you don't do your cocks too much damage though! As for your request, I'm afraid that I could never do that, because I've been a Manchester City fanatic since I was eight! Nice try, though, lads. -* Andrea**

A POSITION OF MY OWN

How does* Reggie Snatchgobbler*, our resident bastard about town, get his rocks off? The answer is - by making funny shapes with paperclips. Or perhaps it isn't.

I've travelled all over the world compiling my famous *Bastard's Guides* for Club, and I've come across some pretty odd sexual positions on the way. (You may like to know that a compilation of my best work will be published this summer. On fine paper with full colour throughout, it contains everything from *The Bastard's Guide to Making Funny Shapes with Paperclips* to *The Bastard's Guide to Yak Farming*. It's published by Bigthing and Bumface at £38.99.)

Anyway, back to this position stuff. I've seen them do it upside down in Australia, on the slant in Japan, and very, very carefully in El Salvador. I've seen men on top, women on top, tops on top and bunny rabbits in the middle. I've seen it done in a plane, in a balloon, in a hang glider and in hospital. In the Pacific, in the Atlantic, in the Caspian and in Richmond swimming pool. On a bed of nails, a high wire, a trampoline and a yak. Yep, you could say I've been around the world in 80 lays, only it wouldn't be very funny.

Myself, though, I don't indulge when I'm out on the road. As a top notch investigative reporter, you can't just sit in your hotel room bonking the bunions off bimbos from Bali all day: you've got to be out there chasing your story, like a bloodhound on the scent of something very smelly. I'm a pro, me.

Also, those days of deprivation when I'm working on a story mean I'm all the more eager to give a girlfriend a seeing-to when I get back home. But after all the exotic practices I've seen in foreign parts, how do I prefer to pickle my pork?

For me, you can't beat a 69. Soixante-neuf, head to tail, twin tug, double gobble, call it what you will - when your lips meet her lips while her tongue licks your todger, heaven knocks on the door and says hello.

Many people find this surprising. "Reggie," they say to me, "we all know you're a right bastard. Why don't you go for a really selfish position, like doggy fashion, or a proper ankles-round-the-ears missionary? Why lick a lady's bits when you can bonk her box?"

Call me old-fashioned, but this reaction always depresses me a little. Why do I like 69? Well, I share something in common with my good friend Nathaniel Fatbastard, this magazine's resident expert on all things culinary and sartorial: I believe in caring and sharing.

You see, I may *be* a right bastard, but that doesn't mean I'm not a sensitive sort of bloke in the knobbing department. I reckon there's too much selfishness in the world today, and liking a 69 is my little protest against it. For me, more than half the pleasure of sex comes from knowing your partner's having just as good a time as you are - if not a better one. It's good for her nerves, it's good for your ego, and it means she'll be more than happy to make you a cup of tea and a BLT afterwards.

While indulging in what the French call tete-beche bonky-wonky, I prefer to be underneath my nympho of the moment. This gives you a good view of her wiggling hindquarters, and lets her position her epiglottis at just the right angle to suck your todger two feet down her bronchial tract.

If you've developed your high-speed tongue-wiggle well enough, you can make sure she comes just the same time you do. Now, if I'm having a straight shag I don't care too much whether we go pop simultaneously, but if she's having an orgasm while your chozzer's on her tonsils it's a different matter: she's feeling so horny she'll swallow your load and come back to suck for more. This means lower laundry bills, though incidentally I find the plain thought of a girl gulping my goo just about the horniest thing since the stegosaurus died out. Watch out that her teeth don't get too excited though.

So there you have it: the Snatchgobboler sex system in one easy page. And if any of our female readers would like to test out my prowess, just drop me a line. ♣
